2. Sit down straight away and remain in your seat for the whole journey.
3. If standing, always remain behind the driver. For safety reasons, stand quietly without moving around the bus.
4. Refrain from throwing items or eating/drinking on the bus.
5. Use polite and appropriate language when talking. Speak quietly so you do not distract the driver.
6. Respect the Bus Operator's property at all times by sitting properly on seats and not damaging surfaces.
7. Always speak respectfully to others on the bus.
8. Respect others' property and keep your belongings to yourself.
9. Listen to and follow all instructions from the bus driver and/or teacher on duty.
10. Behave in a safe manner at all times on the bus, and at the bus stop or depot.
11. No vaping/smoking or chewing gum.

Can a student's place on a bus be taken away?

YES. Where a student's behaviour is an ongoing or serious problem, the school and the bus operator may decide to withdraw the privilege of a place on a school bus. This could be a temporary measure, or in more serious cases, a permanent one. In such circumstances it is up to the caregiver to make their own arrangements to ensure they are meeting their legal obligation to get their child to school. Caregivers are not entitled to a conveyance allowance in this situation.

If you wish to apply for school bus transport please:

1. Read the bus routes and MOE eligibility criteria to confirm if your child meets eligibility criteria,
2. Complete the Application Form and return it to your school dean,
3. Ensure that your child/children understand the rules relating to required behaviour.
